The Secretary of the Army

SUBJECT

: Appreciation for Seminar

Your office recently arranged, at our request, for U. S. Army sponsorship of an informal seminer attended by officers visiting Mashington. The seminar was administered and conducted in a superior manner, definitely benefiting an operation of concern to us. The able and understanding help of the U. S. Army in this matter is warmly appreciated by us. It would be of service if you could convey our appreciation to Mr. Arthur Port of your staff, as well as Lt. Col. Frederick R. Young and Major Remneth B. Stark, both of the Subsidiary Plans Branch, Plans and Operations Division, G-3, and officers and consultants who assisted Col. Young and Major Stark.
